

Visita il sito web: [www.getsession.org](https://www.getsession.org)

The image shows a screenshot of a web browser displaying the Session website (<https://getsession.org>). The browser's address bar shows the URL. A black banner at the top of the page reads "Session has migrated to the new Session Network." with a "Learn more" button. Below the banner, the Session logo is displayed, along with links for BLOG, RESOURCES, NETWORK, HELP, and a "Download" button. The main content area features a large heading "Send Messages, Not Metadata." with the subtext "Find your freedom with Session". Below this, there is another "Download" button. To the right of the text, three smartphones are shown displaying the Session mobile application interface. The phones show various messages and features of the app, such as "Privacy in your pocket.", "Create account", and "I have an account". At the bottom left of the page, there is a small link: "https://getsession.org/download".

## Scarica il programma di installazione

The image shows a screenshot of the Session website (<https://getsession.org/download>) with two main sections: "Download Session for Mobile" and "Download Session for Desktop".

**Mobile Section:** Features a smartphone icon displaying the Session app interface with the text "Your Session begins here...". Below the phone are download links for "Android", "APK", "F-Droid", and "iPhone". At the bottom, there are links for "Verify Signatures" and "Release Notes" for both Android and iOS.

**Desktop Section:** Features a laptop icon displaying the Session desktop application interface. Below the laptop are download links for "Mac (Apple Silicon)", "Mac (Intel)", "Windows", and "Linux". At the bottom, there are links for "Verify Signatures" and "Release Notes" for Desktop.

A browser window overlay is shown in the top right corner, titled "Download - Session Private Mess...", displaying a download progress bar for "session-desktop-win-x64-1.16.5.exe" (108 Mo). A green "Download" button is highlighted on the Session website, and a "Téléchargements" (Downloads) menu in the browser also highlights the same file.

## Conferma le diverse fasi

The screenshot shows the Session.org download page with two main sections: "Download Session for Mobile" and "Download Session for Desktop".

**Mobile Section:** Displays a smartphone screen with the Session app interface. A tooltip on the phone screen reads: "Session allows you to make secure connections or conversations (matrix). These don't work?". Below the phone are download links for "Android" and "APK", and links to "F-Droid" and "iPhone".

**Desktop Section:** Displays a laptop screen showing a terminal window with Session logs. A tooltip on the laptop screen reads: "Il y a déjà une installation par utilisateur. (C:\Users\salin\AppData\Local\Temp\session) Va réinstaller/mettre à jour." Below the laptop are download links for "Mac (Apple Silicon)", "Mac (Intel)", "Windows", and "Linux".

**Download Bar:** At the top right, there is a "Download" bar with a progress indicator. A tooltip on the bar reads: "Téléchargements session-desktop-win-x64-1.16.3.exe Ouvrir un fichier Afficher plus".

**Header:** The header includes the Session logo, navigation links for "BLOG", "RESOURCES", "NETWORK", "HELP", and a "Download" button.

## Conferma le diverse fasi

The screenshot shows the Session website's download page. On the left, a green section titled "Download Session for Mobile" features a smartphone icon displaying the Session app interface. Below the phone are download links for "Android" and "APK". At the bottom, there are links for "Verify Signatures: Android" and "Release Notes: Android". On the right, a black section titled "Download Session for Desktop" features a laptop icon displaying a terminal window. Below the laptop are download links for "Mac (Apple Silicon)", "Mac (Intel)", "Windows", and "Linux". At the bottom, there are links for "Verify Signatures: Desktop" and "Release Notes: Desktop". A download progress bar for "session-desktop-win-x64-1.16.3.exe" is shown in the top right corner of the browser window.

The screenshot shows the official website for Session, a secure messaging application. The top navigation bar includes links for BLOG, RESOURCES, NETWORK, HELP, and a prominent green DOWNLOAD button. A sidebar on the right lists a single download item: 'session-desktop-win-x64-1.16.5.exe'. The main content area is split into two sections: 'Download Session for Mobile' (left, green background) and 'Download Session for Desktop' (right, black background). The mobile section features an image of a smartphone displaying the Session app's interface with a green 'Your Session begins here...' message. The desktop section shows a laptop screen with a terminal window displaying some code. Below these sections are download links for various platforms: Android, F-Droid, APK, iPhone, Windows, Mac (Apple Silicon), Mac (Intel), and Linux. At the bottom, there are links for 'Verify Signatures' and 'Release Notes' for both mobile and desktop versions.

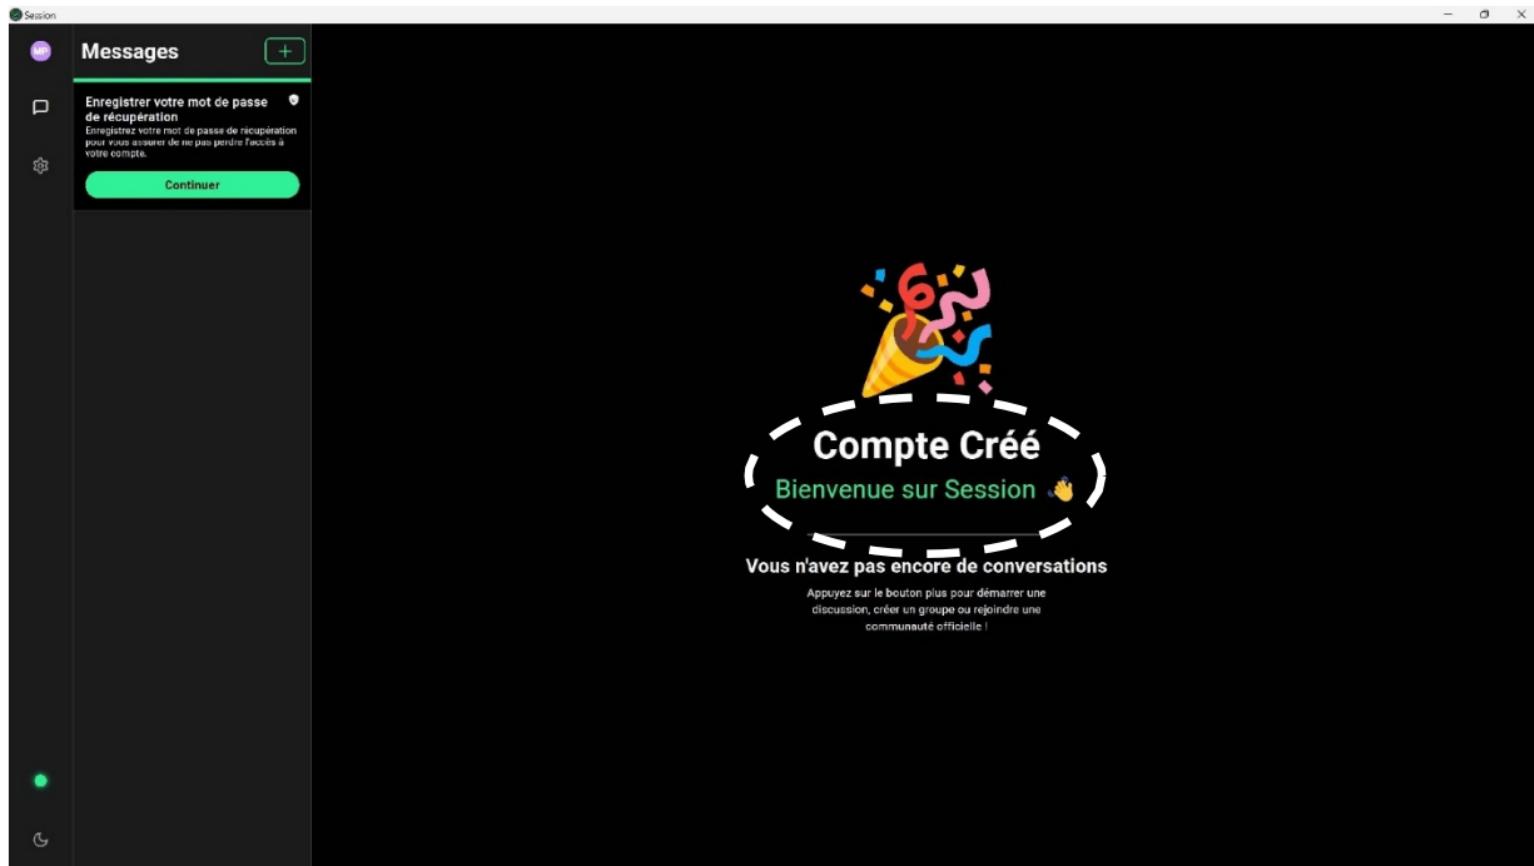

# Scegli di creare un nuovo account Session

## Scegli un nome da visualizzare in Session (nome, nickname, ecc.)

**Congratulazioni, il tuo account è stato creato.**

## Salva, preferibilmente su carta, la tua password di recupero.

The screenshot shows the Session app's settings screen. On the left is a sidebar with various options: Confidentialité, Données, Session Network (highlighted), Notifications, Conversations, Demande de message, Apparence, Permissions, Mot de passe de récupération (selected), Aide, and Effacer les données. The main area is titled "Mot de passe de récupération". It contains a large input field for the recovery password, which is currently empty. Below the input field is a note: "Votre mot de passe ne peut pas être récupéré sans votre mot de passe de récupération. Assurez-vous qu'il soit stocké en lieu sûr et sécurisé - et ne le partagez avec personne." To the right of the input field is a QR code icon with the text "Afficher le QR". At the bottom right of the main area is a red "Masquer" button. The bottom of the screen shows the app's version (v1.16.3) and a unique identifier (0e04eb7c0e8753b394270b8cb4cdfe11c55d50a4).

## Prendi nota dell'ID account Session che ti è stato assegnato

The screenshot shows the Session application interface. On the left is a sidebar with the following menu items:

- Paramètres
- Confidentialité
- Données
- Session Network • New
- Notifications
- Conversations
- Demandes de message
- Apparence
- Permissions
- Mot de passe de récupération
- Aide
- Effacer les données

The main area is titled "Mot de passe de récupération". It contains a section for "Mot de passe de récupération" with a note: "Utilisez votre mot de passe de récupération pour charger votre compte sur de nouveaux appareils." Below this is a text input field containing a long string of words: "coal oilfield movement suffice gotten bygones smash pager revamp vats android wiggle bygones". To the right of the input field is a "Copier" button. Below the input field is a "Afficher le QR" button.

A modal window titled "Profil" is displayed in the center. It features a purple circular icon with the letters "MP" and a QR code. The text "Mon-pseudo-Session" is displayed above a dashed-line circle. Inside the circle, the text "Votre ID de compte" is shown, followed by a blurred string of characters. At the bottom of the modal are two buttons: "Copier" and "Afficher le QR".

In the top right corner of the main window, there is a "Masquer" button.

At the bottom of the screen, the text "v1.16.3" is visible on the left, and a long string of characters "0e04eb7c0e8753b3842708cb4cdfe11c55d50a4" is visible on the right.
